Valois,

Here's my draft of the CFR 147 waiver for Class III wells. Please review and let me know if you have any comments. . . .or perhaps we can discuss it sometime early next week in the office. FYI, the attachment is the first quoted source shown at the end of page 3 and the website below is the site used in the second quoted source.

(I will get this into a memo format for the RA's signature later.)
